

EPIDEMIOLOGY (EPID)

EPID 357-0 Seminar in Epidemiology I (0 Unit)

The Seminar in Epidemiology is a weekly one-hour seminar that is required for all MPH students in the Epidemiology concentration. The student will earn one unit of credit for each year, awarded in the spring quarter.

EPID 358-0 Seminar in Epidemiology II (0 Unit)

The Seminar in Epidemiology is a weekly one-hour seminar that is required for all MPH students in the Epidemiology concentration. The student will earn one unit of credit for each year, awarded in the spring quarter.

EPID 359-0 Seminar in Epidemiology III (1 Unit)

The Seminar in Epidemiology is a weekly one-hour seminar that is required for all MPH students in the Epidemiology concentration. The student will earn one unit of credit for each year, awarded in the spring quarter.

EPID 561-1 Thesis (1 Unit)

Credit for the MS Epidemiology Thesis Course will be realized in Spring Quarter 2025. However, there will be assignments and milestones surrounding the thesis that will be due prior to Spring Quarter 2025. Students must submit all thesis-related materials via Canvas to receive credit for assignments. Passing requires (1) satisfactory completion of your thesis as determined by the Thesis Review Committee, and (2) satisfactory completion of all additional course-related milestones.
