

MANAGEMENT AND ORGANIZATIONS AND SOCIOLOGY PHD

Degree Requirements

The following requirements are in addition to, or further elaborate upon, those requirements outlined in The Graduate School Policy Guide (<https://catalogs.northwestern.edu/tgs/academic-policies-procedures/>).

Requirements can also be found in the *Program Guidelines* for Management & Organizations & Sociology PhD students issued by the Kellogg School of Management.

Master's

While the goal of our doctoral program is the awarding of a PhD degree, a Master of Science (MS) degree may be awarded to currently enrolled, qualified doctoral students. Students who are continuing for a PhD degree, or students who withdraw from the PhD program, may be considered for a MS degree if they are in good academic standing and have completed 9 graded doctoral courses with a cumulative 3.0 GPA.

PhD

Total Units Required: 18

Students are required to take 18 courses or a minimum of 3 courses in fall, winter, and spring quarters during years one and two. Registration for Independent Study (MORS 499-0 or SOCIOL 499-0) with a professor may count towards the coursework requirement.

To fulfill the 18-course requirement for the PhD degree, refer to the table below. Note: the list allows students flexibility in course selection.
